

General Price List

Basic Setup - \$65

Truss Rod and action adjustment, check intonation, oil fretboard, tighten all hardware, clean electronics, and polish. Available for all Electric, Acoustic, and bass guitars (Add \$15 for locking trem or 12 string)

Deluxe Setup - \$90

Basic setup plus special attention to the nut slots: filing to allow better action and cleaning to allow smooth tuning, better intonation, and clearer open string tone. Full fret dress: tap down any high frets, clean up any small pits, divots, or scratches and dress fret ends, then buff to high gloss and oil for a pristine smooth playing surface. Available for all Electric, Acoustic, and bass guitars (Add \$15 for locking trem or 12 string)

Level, Crown and Polish - \$125

Full fret leveling, recrown, dress fret ends, and polish to high gloss. Includes Deluxe Setup.

Refret - \$300+ (free estimate)

Pull old frets, level fretboard, install new frets of your choice and full fret dress. Includes Deluxe setup. Can be done on any fretboard, with or without binding. Prices vary depending on fretboard wood, binding, inlay type, and other factors, please inquire for pricing.

Nut replacement - \$90+

Replace nut, your choice of material, bone and graphite are the most expensive. Nut replacement includes deluxe setup. Price can vary according to nut material and installation type. (especially if a non-standard custom fit nut is required)

Electronics - \$45 minimum, call for custom jobs

Any electronics repair, including replacing pickups, pots, switches, jacks, shielding, and custom rewiring, including piezo and 13 pin systems. Most basic repairs fall under the minimum charge (replace bad switch, fix noisy output jack, etc)

all prices subject to change. rev 10/2011
